

# POSTER SESSION

## MONDAY 10 JULY 2017

- The Poster Session will take place after the talks on Monday 10 July, in the Chapterhouse, on the ground floor of ICMS. There will be an informal wine reception to coincide with the timing of this Poster Session.
- Poster titles are shown on the workshop website (in the Presentations section).
- Poster boards will be available in the Chapterhouse; the area used for all coffee and lunch breaks. Please bring your poster to Registration and the ICMS staff will collect it and display the posters while you are in the talks. Posters can remain on display until the end of the workshop.
- Our poster boards are flexible and so there is no strict limit on the size of your poster - **it would be helpful, however, if it could be no larger than A0 size**. We can accommodate either portrait or landscape.
- ICMS will use Velcro 'fixers' to display the posters and we will supply these.
- If you need to get your poster printed while you are in Edinburgh, the nearest print shop to ICMS is now The Edinburgh Copy Shop (as the Callprint Shop in South College Street has recently stopped trading). Details of the Edinburgh Copy Shop are as follows. There is a link on their website to give directions to their location:

Edinburgh Copyshop Ltd.  
52 St Mary's Street,  
Edinburgh,  
EH1 1SX

<http://www.edinburghcopyshop.co.uk/>

- Please ensure that you take your poster with you at the end of the workshop and we cannot send these by post after the event. Any posters left at ICMS will be discarded.
